Brochure

DilliCity.com is a portal specializing Internet-related services that include online advertising technologies for your products & services localized & global searches. List your company, product(s) and / or service(s) on DilliCity to make your business presence better on the Internet. Become the part of Google Search Results to promote your existing business by enlisting on DilliCity. The portal also offers mobile commerce platform for mobile & DTH recharge and latest movie tickets for couples every fortnight on lucky draw basis, which is increasing portal traffic at a higher extent. Soon, DilliCity may offer mobile app a full marketplace to consumers.

DilliCity is founded this year 2016 by M/s Abhinav Computronix. We are committed to allow listing of a category falling under our portal keeping in view the quality services in mind. We strive to maintain an open culture where everyone is a hands-on contributor and feels comfortable sharing ideas and opinions. Our team spends hours designing each new feature and obsesses about the smallest of details possible.

The portal provides bulk access to real live data of thousands of entities / individuals to reach via text (SMS) messages and / or white-listed email addresses.

In addition to above services, the portal publishes newsletter to its registered users in which your business can be promoted. Movie ticket distribution is another way adopted by the DilliCity to disseminate your services to the users registered for the tickets and otherwise. Social media activities and SEO are critical to increase routine traffic on the site (portal).

We do not believe in giving you any fake leads rather we utilize other channels that uses real database of our client & site visitors. The offer includes following features that may help increase your business presence on the Internet:

Data Listing

This section allows you to list your company's description on our portal such as company name, address, contact information etc. and notes, which may be used as keyword while searching on Google.

Product Listing

You are provided with choices to list your products / services in your own words under pre-specified categories.

Business Location

Using Google map, you can specify your business location for client to approach you as and when needed.

Image Gallery

In order to highlight you products / services, you may upload desired images in specified format.

Top on City Search

Keeping in view, we provide you with local search engine which can practically bring business to you from nearby local areas.

SMS Services

Now a day, most of the companies are using SMS services to promote their business by reaching more and more individuals. Our SMS Service is unique in nature as the deliveries of maximum message are assured using our techniques for DND & non-DND numbers.

E-mail Services

Over Thousands white-listed email addresses are used by DilliCity.com to promote your business. You will note that white-listed e-mail addresses are such that are directly delivered to e-mail holders' "INBOX" and do not land into SPAM folder.

Discussion on Listing

This section allows anyone interested in your product / service can open a discussion thread asking any question or placing comments. You will be notified immediately of such occurrences via e-mail. Discussion forum option provides direct business leads to you.
